TOUGH MAN ENDURANCE RULES:

All rules are governed by ISR / WY Expo and this is a specialty sanctioned race. Please refer to the ISR rules that apply to Enduro Racing or call / e-mail Jason @ 406-461-1023 or jkhowell@yellowstonemt.com for any questions.

- This is a 3 person / team event with one stock snowmobile of 600cc max (ISR approved 4-strokes for the class allowed). Teams must finish with the same snowmobile that they start with. Additional parts can be switched / fixed in the staging area only.
- There are 2 classes Pro and Semi-Pro (race at the same time).
- Each team must make 3 exchanges. All riders must ride at least one lap (track will be approximately 1.5 miles in length).
- All drivers must have mandatory driver protective equipment which must comply with ISR rules (full face helmets w/ 2000 Snell foundation approval code, drivers helmets must be 75% international or blaze orange in color, at least 144 square inches of visible international or blaze orange on the drivers front and back, ISR approved chest protector required, and shin and knee guards are also required).
- All refueling containers must comply with rules and be gravity fed.
- Each team that will be dispensing gasoline will be required to have a 5 lb ABC approved fire extinguisher in their staging area.
- Snowmobile tethers ARE MANDATORY (4 foot maximum length).
- Snowmobile snow flaps / mud flaps ARE REQUIRED for start of the race. Jack stands must meet ISR rules with protective sides.
- 1st place finishers may be required to tear down pending any protests from other teams (see ISR rule book for protest procedures).
- Each team will be allowed a maximum of 2 additional persons for a pit crew (*5 people total including drivers*). One pit pass is included in registration. Additional pit passes available for purchase at registration or at the gate.
- **Please meet at the SnoCross pits 30 minutes prior to start for Drivers meeting and staging (mandatory all drivers attend).**
